Fourteen Teams to Strive for 'Cross-Country Honors in Annual Fixture.

### QUAKERS LOOM UP STRONG CONTENDERS

Harvard Not Up to Form of Last Year, but May Surprise at Van Cortlandt Park.

Cornell is the favorite for the intercoltegiate 'cross-country championship run wer the national course at Van Cortlandt

Park this afternoon. Fourteen teams, representing Brown, columbia, College of the City of New vork, Colgate, Cornell, Dartmouth, Harvard, Massachusetts Institute of Techsology, Pennsylvania State College, Unif Pennsylvania and Yale, will toe the mark at the start, which is to be at 3 o'clock on the parade grounds in front of the old Van Cortlandt manor house All the teams arrived in New York yes

terday and spent their time going over the course in company with members of the Columbia squad, who have used it as a practice ground since the beginning of It will be the fifth run held under the

direction of the Intercollegiate Association of Amateur Athletes of America, and will be the fiftcenth in the annual series which was begun by the old intercollegiate ross-country association in 1899. Of the fteen races that have been held Cornell has won thirteen. Yale one and Harvard Crimson triumphed a year ago, and under the coaching of Alfred Shrubb, English distance champion, was conceded a victory in this year's race before ary contests were held. The esults of the early season races, however. have proved that Harvard, although it has a strong team, is not as well balanced

Despite the fact that the Crimson runsers defeated Cornell in a dual run by a margin of two points they were later efeated by Yale, and in the race two weeks ago two of their best men. Captain Boyd and McClure, were taken sick, so that they will not be at their best to-day one of the best distance men that Jack Makley has ever uncovered, has com back strongly after the defeat by th rimson, and two weeks ago beat the Pennsylvania harriers in a gruelling const at Ithaca. Hofmeyer has so far shown himself superior, and should carry of the individual runner's championship thout much difficulty. He will be ably backed by C. S. Sperden, a junior; A. D. Cadis, F. W. De Golyer and H. V. Taylor Pennsylvania team, which defeated the Carlisle Indians and Columbia rather essily in a pair of dual meets, is bound to contender with such men as W. L. McCurdy, L. C. Madeira, K. D. Mc Donald, E. Humphries and W. D. Stroud

Yale and Princeton may spring a sur prise, for each is unusually strong this Tigers showed their worth when they defeated the Blue in a sixmile run at Princeton, and later, when fairly walked away from Columbia h a run over the Van Cortlandt Park Yale sprang its first surprise when it defeated Harvard two weeks ago Dartmouth is not expected to do as well as it did a year ago, and the only man that Harry Hillman reckons as a victor s Franz Marceau. Massachusetts Institate of Technology was close behind the Green in the New England championship run a week ago, affil is relatively stronger than Brown. Nothing is known of Penn-sylvania State, Syracuse, Michigan or lolgate. Columbia has been trounced by Pennsylvania and Princeton, and in turn defeated the College of the City of New York, so that both of the local institutions are practically out of it.

Police Commissioner Waldo has assured run, that the course will be properly safeguarded from encroachment by spectators and that everything will be done to avoid a flasco such as marked the senior metrepolitan championship run over the same course a week ago, when Hannes Kolehmainen was forced to fight his way through a mob in order to reach the fin-

Across hill and dale the course leads directly to the old aqueduct at Mosholu Parkway; then it follows the aqueduct for a distance of a mile and three-quarters, almost to the northerly end of the golf links; then it cuts down to the level of the lake and runs along the east side of the lake, through the golf links, and back to the railroad bridge. It then follows the west side of the lake for 500 Yards to a point directly opposite the finishing mark, the last stretch being a straight run of a quarter of a mile over good turf.

Princeton Soccer Team Trounces George School Eleven.

(By Telegraph to The Tribune.) Princeton, N. J., Nov. 21.—Another vicory came to the Princeton soccer team here to-day by a score of 20 to 1 against the George School eleven on Brokaw

The game reflected little real credit on the Tigers, who pushed the playing at their pleasure throughout the first half, but cored only twice out of all the attempts made at the schoolboys' net. Dinsmore shot both goals for Princeton just at the close of the first half, the first scrimmage in front of the goal and the scond on a heautiful long shot from well out toward the centre of the field.

A different story was told in the second half, for the George team forced the playing, and succeeded in netting one tall; on a glance shot off Murphy. They held the Tigers safe for the rest of the game, but could not peretrate their defence for

## The Last Cry in Baseball

[By Telegraph to The Tribune.] Portland, Ore., Nov. 21.-Trail the baseball fan to his lair, keep him under observation, and he is sure to spring something new in the way of antics.

The Eastern brand, who stand all night in the rain to see a world's series battle have heretofore represented the last word in fanaticism, but the palm must now go to the West.

Three men from the State of Washing ton, who failed to see the Giants and White Sox play in Seattle because the weather interfered, were not to be balked. They followed the party to Vancouver, and took passage on the same boat to the Orient, where they hope to see the big leaguers in action. So does the baseball bug work.
